Dea [REDACTED],

The Katy Police Department is in receipt of your "Amended Complaint against Sean Matthew Kiley for False Affidavit/Request under Chapter 552 of the Government Code (Open Records Act) for T. Dunn's In car Video and Radio Dispatch Audio of 7/22/2009". We appreciate concerns from all Citizens regarding the actions of the Officers employed with the City of Katy Police Department and take all complaints seriously. All of your points, brought up in this amended complaint, have already been considered and investigated. The City of Katy Police Department previously found no areas of concern with Katy Police Officer Sean Kiley, and due to all areas of concern raised in your "amended complaint" having already been considered, no further investigation will be conducted.

The Open Records Request for T. Dunn's In Car Video and Radio Dispatch Audio of 7/22/2009, was part of the Open Records request, from you, dated November 16, 2009. The City of Katy has sent these items to the Attorney Generals Office, for their review, in a letter dated November 24, 2009.

If you have any further questions, please feel free to contact me.

Regards,

Gay K. Dickerson
Captain/CID
Katy Police Department
